Building STEM Partnerships Agenda

8:30 AM – 9:00 AM: Coffee

9:00 AM - 9:15 AM: Welcome and overview of day

9:15 AM – 11:15 AM: Panel of Corporate People

Each panel member will briefly describe his/her firm, product, vision, company profile and anticipated challenges in finding future talent.

Themes will include:

- Help Wanted: Motivated or Inspired Employees
- Workplace ethics and a community presence
- Strong communication skills for sales and customer service
- Creativity and innovation for new products and services
- Global competition
- Critical Thinking/Problem Solving for quality and cost savings

11:30 AM: Break Tours

- IT
- Technology/Manufacturing
- Marketing
- Accounting/Finance
- Human Resources

12:00 PM: Lunch

Tour groups eat and discuss what they learned.

1:00 PM – 2:00 PM

Groups give report on how they will use their new corporate knowledge in the classrooms.
